## Spring 2016

### Quick Note from the President:

As you see in the important dates column, there are regular opportunities to educate ourselves about how our community works. The York Road Partnership is a gathering of people from the 8 neighborhood organizations that border York Road to organize different activities for community building and improvement. The Northern District Community Council is a group that works with the police to help maintain good communication between the citizens and the men and women in blue. Contact me at 410-323-6989 if you have questions or are looking for more opportunities to catch up on activities in the surrounding areas.

### COMMUNICATIONS WITH THE POLICE

The Northern District Police have created various new ways of communicating with the communities that they patrol. Citizens may e-mail at [Northernquestions@baltimorepolice.org](mailto:Northernquestions@baltimorepolice.org) to get information or answers directly from the head of the district, the chief of detectives, the head of the drug enforcement unit and the community relations officer. All levels of uniformed patrols are being conducted. If you see the officers on patrol on bikes, be sure to say hello. Additionally, the police are setting up an Explorer Post for interested youth between the ages of 14-20. Interested parties can email [John.Perfetto@baltimorepolice.org](mailto:John.Perfetto@baltimorepolice.org).
